

you need:

- five 5p coins
- twenty five 1p coins
- 1–3 dice

Money flowers for 2 players

Put a 5p coin in the centre of each flower.

Put the 1p coins on the table.

Take turns to roll the dice and say the number.

Take that many 1p coins and put them on the flower petals.

When you have covered all the petals of a flower you win the 5p. Take it off.

At the end of the game, the winner is the player with most 5p coins.
