Science

A bit of revision for this week...

Today's learning is all about the human body and our senses.

Geography

I wonder if you can remember what Lightwoods school looks like?
Can you remember where all the classrooms are? Where are the playgrounds?
Where is the pirate ship?

Can you draw a map of Lightwoods?
Use googlemaps to help you.

PSHE

Listen to Heather Small 'Proud' https://www.youtube.com/watch?v=-4szP49_HKE

Think about all that you have learnt this year at Lightwoods and at home. What are you most proud of?

Moving onto the next reading level? Being able to count on and back in steps of 5? Riding a bike without stabilisers? Swimming further than before?

Make yourself a medal or trophy to celebrate your achievements.

Moving on to Year 2

This is an exciting time for you, as you prepare to move further along the corridor!

Think about what you'd like to achieve in Year 2. It can be something at school or outside of school. Complete the Star worksheet.

Art

Think about you!

What do you look like? What is your favourite colour? What types of things do you like to do? What is your favourite animal? Do you have any brothers and sisters?

What would you like your new teacher to know about you?

Create a colourful collage that is all about you. Can you make it 3D?

Please share a photo on our Twitter page and save your collage to share with your new teacher in September
