

Year 2

Foundation subjects

Week beginning 29th June 2020

Monday 29th June 2020

Science

This week we are looking at changing the shape of different materials, if we can.
Not all materials can be treated in the same way.
Find natural materials to experiment with.

Can you find a stick that is flexible and one that is not?
Can you find a leaf that you can twist easily and one that you can't? What happens to the leaves when you twist them?

Challenge: How far can you stretch a 26g Curly Wurly without it breaking? The world record is an unbroken length of 311.5cm .

Tuesday 30th June 2020

History

Today, we will be learning all about the incredible adventures of **Sir Ernest Shackleton**. He wanted to be the first man to reach the South Pole. Sadly, after 4 attempts to get there, he never made it. During this lesson, we look back at the heroic journey Shackleton and his team took, trying to reach the South Pole.

If you want to remind yourselves of what Antarctica was like then have a look at year 1.

Wednesday 1st July 2020

Music and Dance

Choose a song and a game from the following link

<https://www.bbc.co.uk/teach/bring-the-noise/eyfs-ks1-music-play-it-bring-the-noise/z4sq92p>

Enjoy having fun with music and don't forget to dance along too

Thursday 2nd July 2020

RE

Places of worship

Watch the following clip

<https://www.youtube.com/watch?v=3DBKeNHxfjk>

Do you have a place of worship that you visit?
What is it like?

PSHE task

Find a photograph of your family and/or people who are special to you. Create a frame for the photo using natural materials. Take a photograph. Talk about why the people in the photo frame are important to you.

Friday 3rd July 2020

Art

In this session, we will be using different items we can find in nature to make a beautiful landscape picture. This session is designed to be completed as independently as possible, but adult support is advised in places.
