

# Year 3

# Foundation subjects

Week beginning 13<sup>th</sup> July 2020

I can't believe it is the final week of the Summer term! Although it is not quite the year we had planned for you, I would like to say a big well done to you all for working so hard at home in these difficult and unusual circumstances.

We are all looking forward to seeing you all back in school in September and hope that you have a safe and restful summer break.

There will be some activities you can complete over the summer on the website to keep your brains ticking over before you move into Year 5 in September.

See you soon,
