Geography: Planning a route

- Plan a journey around your map.
- You must visit at least 5 places of interest.
- Make sure you record the coordinates and direction of travel each time.

For example:

Starting Point	Grid Reference	Direction of Travel	End Point	Grid Reference
Church	(31, 56)	East	Youth Hostel	(33, 56)
Youth Hostel	(33, 56)	North West		

Starting Point	Grid Reference	Direction of Travel	End Point	Grid Reference
