Year 4

Week 15

Year 4 - Week 15

This week in a nutshell:

- Mental multiplication this week focuses on using known facts from the 7 times table. Mental addition and subtraction questions this week focus on adding 10, 100 and 1,000 to a range of numbers.
- Written methods for multiplication and division continue to focus on written multiplication and division, where questions are presented using the formal written method. Written methods for addition and subtraction focus on the addition and subtraction of 4 digit numbers, where each number does not have an equal number of digits.
- Fractions questions focus on finding non-unit fractions of increasingly larger numbers.
