

# Year 5

# Foundation subjects

Week beginning 22<sup>nd</sup> June 2020

# This week's theme...

Our world is constantly changing – and it feels like there have been more changes than ever over the last few months! Through your learning this week, we will be thinking about some of these changes and the impact they will have on our lives in the future.

Monday 22<sup>nd</sup> June 2020

Science – Life cycles in humans and animals

This lesson should act as a bit of a revision session of your learning from Year 5 and 6 on life cycles. This lesson includes:

- two videos
- six activities to reinforce learning

## PSHE – Your perfect world

Our world is changing in many ways some of us never thought possible. What would your perfect world be like? You can choose how to record your ideas – a poem, a picture, a speech etc.

Friday 26<sup>th</sup> June 2020

## Art - Painting, Collage and Printmaking - Storytelling

In this lesson learn about how famous Portuguese artist Paula Rego uses her artworks to tell stories, learn some basic artistic techniques and create your own artwork.

This Lesson includes:

- 1 inspirational video about how artworks can tell stories
- 3 practical videos about painting, collage, and printmaking
- 1 activity to create your own artwork. You may wish to base your art work on an event that has happened during isolation, a favourite childhood memory or a scene from a book you love.
