Book Day voucher

This year, we want to celebrate our **new** school values through books!

SELF-AWARENESS
WARMTH
RESILIENCE
COLLABORATION
EXCELLENCE

HOMESCHOOL TASK

We would like children to bring in a book, or a quote from a book, which shows one or more of our values in action. Think about Harry's **resilience** when faced with dementors, Sophie's **warmth** when the tiger comes to tea or the **collaboration** in Room On The Broom to help the witch find her lost bow! We look forward to sharing these on Lightwoods' Book Day.

ON THE DAY

This year, we won't be dressing up, but our Lightwoods Book Day will still be a cause for celebration. On 12th March, we will spend the day reveling in the wonderful world of reading with children. This will include sharing our favourite stories, discovering new books, games and quizzes and hearing from some famous authors and illustrators hosted virtually by the World Book Day website.
