11<sup>th</sup> January 2020

Dear Parent/Carer,

Thank you for all your interactions on Tapestry last week, it has been lovely to see the learning that has been taking place from the links/activities we have been sending. Thank you too for your understanding and support during what is proving to be a challenging time for us all.

Please be assured we are trying to provide home activities which link as closely as possible to what we are doing in school but also allow for flexibility with your home working arrangements.

Tapestry appears to have been running a little slowly at times, particularly today! This is an issue with 'Tapestry' servers which are obviously under greater use. They have said they are doing all they can to minimize the impact and apologise. We are currently monitoring the issues with Tapestry.

In order for you to log on for work we are aiming to upload the day's work the evening before, hopefully this will be a quieter time to access what you need ready for the following day.

We are setting up a weekly 'teams sharing time' on a Wednesday afternoon at 1.30 pm. Below is a 'teams link' so you can join the meeting this week. This is an opportunity for us all to have 'a catch up' and general chat. This week if your child is in the **RED** group and they would like to share some news, or tell us about something special, this will be an opportunity to do it. Each week we will use the time for each group to share news, just like we do in class. There is another letter attached setting out the expectations for these sessions. The session will be recorded if you need to access it at a later time.

Please bear with us. This is all new so fingers crossed, several times, everything will go to plan!  
Please try to join the meeting, we know that the children will benefit from seeing their peers and we definitely would like to see many, if not all, of Ash and Oak class join.

Kind regards

**The Reception team**
