

## Learning activities - YEAR 2

Date: 29/04/20

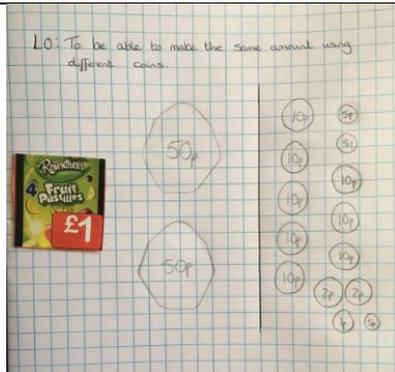

Please note this is a guide of what children will be doing in school, there is no requirement for all of these tasks to be completed each day!

\*\*\*This is not a daily plan of things you must do. These are suggestion put together by the teachers at Lightwoods to help you at home if you need it. The children who remain in school will also complete similar activities alongside spending time outdoors and taking regular breaks.\*\*\*

There are plenty of things that you and your child(ren) can do around the house or in the garden that are learning opportunities your child will find valuable without them knowing they are 'learning'. From cooking, cleaning, folding clothes, tidying bedrooms, opening mail to sorting out cupboards, all have learning opportunities within them.

*Have fun and stay safe!*

Duration	Wednesday
30 minutes	Body Coach 'PE with Joe' (YouTube)  Or  Coach Segun's PE lessons (Youtube)  <a href="https://www.youtube.com/channel/UCA6vK0qYwcSMYyKgp8fgQyw">https://www.youtube.com/channel/UCA6vK0qYwcSMYyKgp8fgQyw</a>
15 minutes	Reading - Read a book, magazine, fact file or a newspaper.  Activity: Draw a picture of one of the characters and use adjectives to describe what that character is like and what they look like.
1 hour	<u>Maths</u>  <u>Money</u>  Activity: children to look through a magazine, catalogue, newspaper or internet and to be able to cut out an item with the price on (or make your own) the children have to stick the picture in their books and then draw the coins in the book to make up that price. (Ask the children to try and use the least amount of coins). Then ask the children to make the same amount using different coins to show an alternative way of making the same amount.

Money game activity: <https://www.topmarks.co.uk/money/toy-shop-money> (press on mixed coins then exact money then click on a higher value than yesterday).

### Extra

White Rose Hub have a free home learning pack which could be really useful to use. Each lesson comes with a video that guides you through it and an activity sheet. If you don't have a printer at home you could write the questions out or just talk about them with your child. There are also answers for each question on a separate document - don't worry.

Year 2 - <https://whiterosemaths.com/homelearning/year-2/>

It is split into weeks. Work your way through the lessons/weeks when you can/if you can. Remember - you only have to do one lesson a day.

Carol Vorderman is offering her maths website <https://www.themathsfactor.com/> for free whilst schools are closed.
