

Word Order

I can use different word orders when searching.

Search using the words and record the returned results, then swap the words round and search again.

<ul style="list-style-type: none">• Insert the three different key words to search using the bullet points.••	<ul style="list-style-type: none">•••
1.	1.
2.	2.
3.	3.

Write the link title and the link address like this: Twinkl
