

Sometimes

people

get

ill

germs

Germs

can make

people

ill

The Corona virus

germs

spread

very easily.

Washing my hands can help

me

keep healthy.

I need to wash my hands with

soap

water

1 2 3 4 5
6 7 8 9 10
11 12 13 14 15
16 17 18 19 20

I

can sing a song

or count to

20

20 while I am washing my hands.

This will make my hands clean

and healthy.

Sometimes

schools

have to

close.

This is so

I can

stay healthy

at

home.

I can do fun things at home.

My teacher has sent me some

school work to do at home.

I can

stay healthy

at

home.
