<b>Barriers to Future attainment</b>
<b>In school barriers</b>
Most PP children start their new classes behind their peers.
PP attendance is slightly below non pp attendance. Persistent lates are more frequent in pp pupils
The gap between PP and non pp is greater in EYFS and KS1.
<b>External barriers</b>
Pupils who have greater attendance at school have better opportunities to access the required learning to have higher attainment. Analysis of attendance data showed more instances of persistent absence for PP children.
<b>Desired Outcomes</b>
The gap between PP and NPP at the start of the academic year is reduced by 10% by the end of the academic year
Family support for PP improves – 100% attendance at parents eve, reading records signed regularly, pp pupils prepared for special event days etc
PP attendance improves, 95% 18/19 compared to 97% non pp, bring in line.
