Curriculum Rationale

At Lightwoods Primary School we aim to teach all our children to become inquisitive and independent learners across the curriculum and in line with our school values. We hope for all children to develop a passion for learning and inspire them to be confident individuals and responsible citizens of the future. Our curriculum will provide challenge for all learners, developing their skills, knowledge and understanding and will promote the British Values. We ensure the learning journey at Lightwoods is progressive, fun and engaging and takes into consideration pupil voice.
